

4.3 Quality Policy

The stated policy and objectives of Allen, Gordon & co in regard to Quality Management are as follows:-

Allen, Gordon & co seeks to deliver all deliverables in accordance with the Client's specification and requirements and in compliance with ISO 9001:2008.

In order to ensure that the Client specification is met, Allen, Gordon & co has implemented a Quality Management System.

The Quality Management System applies to, and is mandatory upon, all employees.

It is the Firm's policy to ensure that the Client specification, statutory health and safety legislation, industry accepted operational guidelines and Environmental Best Practice are adhered to in both design as well as site practices.

The Partners and Senior Management will ensure all staff members adhere to these procedures.

To improve the efficiency and competitiveness of the Firm leading to continual improvement in the quality of services provided to the client.
